Eagle Virtual will continue to be offered to families as a choice during the current status of the worldwide pandemic due to COVID-19. In-person instruction will occur in each of our Hudsonville school buildings during phases 4 -6 of the Return to Learn plan. HPS students and staff will follow strict protocols as advised by the MI Safe Schools Roadmap. HPS has developed the following guidance documents for staff, students, and families regarding safety protocols and instructional delivery;

Virtual vs. Remote - As students have been quarantined in the last month, we have increased our remote learning opportunities for students to continue to access quality teaching and learning. Teaching and learning strategies such as; live instruction and feedback, live social, emotional check-ins, recorded instruction and paper-pencil copies of assignments with teacher guidance have all been provided during remote instruction. We have updated our HPS Return to School Roadmap Teaching and Learning Handbook to include expectations for teaching and learning during remote instruction as well as technology tips for anytime access to learning. In addition, we have additional professional learning opportunities for all staff to engage with to enhance anytime learning at our next Early Release on October 23.
