

Hudsonville Public Schools

Mi Kids Back on Track (23g)

According to MCL 388.1623g(13), the purpose of MI Kids Back on Track is to support programs designed to:

- Address unfinished learning.
- Get students to grade-level academic standards.
- Provide additional academic standards.
- Provide additional academic assistance to students at risk of falling behind their peers.
- Help high school students prepare for postsecondary education.

Program Purpose: Hudsonville Public Schools will engage our most at-risk students with additional resources to support their learning and boost academic skills.

Program Summary: Hudsonville Public Schools will commit all of the state allocated 23g funds with the direct intention to mitigate learning loss via a robust system of Multi-Tiered Systems of Support (MTSS), summer learning endeavors for the summer of 2025, and intensive tutoring offered to students who may be at risk for learning loss (school year 2024/2025). These three areas of support are highlighted in the [district's continuous improvement plan](#).

Families and community members who may have additional questions about Section 23g funding in Hudsonville, please use the following contact information:
