Are you traveling over spring break? If so, grab those unused travel sized toiletries out of your hotel, cruise, or resort rooms to donate to homeless teens and families. SLIC students will be collecting them after break. This is a super easy way to help out people who are challenged to have access to these basic hygiene products due to homelessness.

Are you looking for an absolutely marble-lous good time? Roll into the next STEM club as we build rollercoasters that potentially move marbles kinetically. Come to room 118 from 3-4 PM on Wednesday, April 10. Hey! That's how we roll!

### **Looking Ahead**
