Benjamin Johnson
Kylee Troost

Congratulations to the Science Olympiad team for finishing 4th at this weekend's regional tournament and qualifying for the State Tournament in May. Many of the team members received medals for a variety of events. A special congratulations to Grayson Lentner and Eric Missad for winning the Optics competition as well as Maddy Murchison and Sabrina Bieliecki for taking 2nd place in Write It, Do it. Also finishing in 3rd place were Natalie Brink and Grayson Lentner for Chem Lab, Paxton Brechting and Grayson Lentner for Wind Power, and Rachael King and Paxton Brechting for Geologic Mapping.

Other medal winners were...

Experimental Design 4th place - Grayson Lentner, Sabrina Bieliecki & Maddy Murchison

Fossils 4th place - Derek Aenis and Paxton Brechting

Dynamic Planet 5th place - Rachael King and Derek Aenis

Codebusters 5th place - Derek Aenis, Abby Retberg, and Eric Missad

Forensics 6th place - Sabrina Bieliecki and Maddy Murchison

Detector Building 6th place - Abby Retberg and Nate Wittbrodt

Student Council and Renaissance Crew Spirit Days.

Tuesday - Twin Day or Flip Flops/Sandals Day

Wednesday - Destination Day or Sunglasses/Hat Day

SLIC will NOT meet this week.

The chance to get a 2024 yearbook at the sale price ends Monday April 1st.

Are you traveling over spring break? If so, grab those unused travel sized toiletries out of your hotel, cruise, or resort rooms to donate to homeless teens and families. SLIC students will be collecting them after break. This is a super easy way to help out people who are challenged to have access to these basic hygiene products due to homelessness.

Are you looking for an absolutely marble-lous good time? Roll into the next STEM club as we build rollercoasters that potentially move marbles kinetically. Come to room 118 from 3-4 PM on Wednesday, April 10. Hey! That's how we roll!

Seniors: The Hudsonville Education Association awards seven \$400 scholarships in memory of seven teachers who passed away during their careers at HPS. Applications can be picked up in the HHS Counseling Office, Mr. Zielinski's room (228) and Mrs. Conrad's room (226). Completed applications are due by 3:00 pm on Tuesday,

March 26. Late applications will not be considered.

There will be SAT review sessions during seminar in Mrs. Klaasen's room during all transfer seminars before spring break! Please stop by or email her to sign up! Thanks!

School Store applications for the 2024 school year are available online at hpseagleslanding.com. Download and return to Mr. DeSmit no later than March 26.

Hudsonville Competitive Robotics Informational Meeting

Is your student interested in computers, logic, building, mechanics, or robotics? Join us to learn about the thrilling world of competitive robotics through Hudsonville Robotics! This informational meeting will give families insights into how we use technology and competition to foster teamwork, problem-solving, and creativity. We will be offering an array of classes this spring to help students build their skills to compete in an amazing fall competition. The introductory meeting will be held on **Monday, March 25, from 7 pm to 8 pm at the High School in room 110**. The club program is open to boys and girls starting grades 5-12 next fall. For more information, please email info@hudsonvillerobotics.com or visit <https://HudsonvilleRobotics.com>.
