

Good Afternoon Park Families,

Thank you so much for an incredible first two days! I am so appreciative of your grace and patience as we navigate the first days of drop off and pick up. You have all been so amazing and flexible. Here are just a couple reminders:

**Morning Drop off:**

- Please do not let your child out of the car before 8:35. We do not have supervision on the playground before that time. Please also do not let your child out of the car until you reach the sidewalk, for their safety.
- K, 1st, and 2nd grade students can walk around the front of the building to their playgrounds
- 3rd, 4th, and 5th grade students can walk around the back of the building to their playground.
- If your child needs breakfast (Reminder: It's not free this year) they can let an adult know and walk in the front doors.

**Afternoon Pick Up:**

- Please have your car tag in your front windshield for our staff.
- Please pull all the way up to the orange sign.

**Walkers:**

- We are asking our walkers not to cross our parking lot traffic.
- Walkers headed toward VanBuren can walk down the sidewalk and down Park Avenue
- Walkers headed toward Curtis will walk around the outside of the parking lot in the grass and down Park Avenue the other way
- This avoids students needing to cross our traffic flow. As we navigate this change, we may find a better way, so hang in there with me as we work out the kinks.

Once again, thank you so much for your patience, and especially for giving me such a warm welcome to Park Elementary! This is such a special place to learn and grow!

My best,

Mrs. Stefanich
