From the Principals...

We have had a fantastic first week of school at BMS! We are blessed to have kind, polite students, and a helpful, caring staff who are all working together to make this a smooth adjustment back to school with new safety protocols and routines. The patience, flexibility, and kindness that has been demonstrated each day has made us all proud to be Eagles!

We do want to acknowledge the bittersweet feeling many of us had starting this week as well. There are 70+ students, and a few of our staff members, who are not with us in-person right now for a variety of reasons. If you are one of those families or teachers, we miss you! If we can support in any way, please reach out. You are not alone.

As we abruptly transitioned to remote learning last spring, teachers quickly learned Google Classroom. This year, teachers will be inviting students to join their Google Classrooms and will provide updates on assignments, quizzes and tests. Google Classroom will take the place of the Classwork Connection we have used in years past in order to streamline communication between teachers, students and parents.

Attendance Reminder: For calling in an absence, pick-up, late arrival, or mid-day appointment, we have 2 convenient options: phone line at 669-7750; option 1, **OR** attendance email at bmsattendance@hpseagles.net

TRANSPORTATION INFORMATION

The Transportation Department is required to track who is riding on each bus during this current Phase 4. We will NOT be allowing any students to ride home with their friends who are not scheduled to ride that bus. If there is an emergency situation, parents will need to contact transportation office at 616-669-7757.

Fall Sports News Volleyball, Boys Soccer, Girls Tennis, and Cross Country begin on Monday, August 31st after school. A reminder that all athletes must complete and submit an athletic code every year, a sports physical (completed by a doctor), or a health questionnaire if you turned in a sports physical for the 2019-2020 school year. These forms should be sent to khill@hpseagles.net in order to be eligible to tryout/practice with the team. Please see the website for tryout/practice times for Monday. Middle school football has been postponed to the spring at this time. Please email Karen Hill khill@hpseagles.net if your student is still interested in signing up for Fall Sports.

Mask Wearing and Hand-Washing

Students had the opportunity to view and discuss these videos regarding mask wearing [Mask Wearing](#) and [Hand-Washing](#) safety protocols. Please review and continue reinforcing these safety measures with your children.
