

Hudsonville Early Childhood Center

~ Every Child Counts ~

Dear Parents,

Sept. 2021

Thank you for your partnership this school year with our Early Childhood Center! We are excited to share that as of Sept. 13, all of our programs have begun! It is wonderful to see the students learning the routines and procedures of the building.

Teachers plan to communicate on a weekly/bi-weekly basis with our families. Please reach out if you have any questions for your child's teacher or the ECC main office at 616.797.0842, ext. 1.

Have a wonderful day!

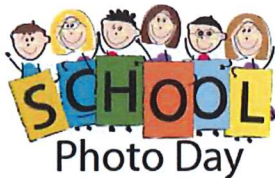

Mrs. VanSomeran aka Mrs. Van, Director/Principal

ECC Photo Days

Save the Date:

Wed. Oct. 13 & Thurs. Oct. 14

Photo packages/envelopes will be sent home with students soon. Your child's teacher will share a specific schedule of when your child's photo will be taken.

Why is Preschool/Pre K Important?

"Preschoolers learn "pre-skills," which lay the groundwork for the future. Through their playing, singing, and learning, preschoolers gain skills that ultimately help them learn to read, write, build their math and science skills, and become successful students." (quote from scholastic) ECC is honored to be a part of this learning journey.

Parent/Teacher Conferences

Save the Date:
Mon. Nov. 16 and
Wed. Nov. 18

Community Hub

The Early Childhood Center is our community hub for many different services throughout the district. The building provides childcare, preschool, and school day offerings for our Pre K students from Park elementary and overflow from other elementary buildings. It provides non-school daycare for families on snow days and during winter break, if signed up within the before and after school care program, as well as the full day preschool programs that run from 6:30-6:00 pm.

This building also houses our community Cheer, Wrestling, and Community Education activities within the gym and wrestling space at the back of the building. At times, these high school students are moving through the ECC into their specific spaces. It is wonderful to see this interaction of older HPS students with our younger ones. Supervision by our staff members as well as the teams' coaches is consistent to ensure that our HPS rules of conduct and safety are followed.

Thank you for joining our wonderful building!
