Hudsonville Early Childhood Center

~ Every Child Counts ~

Dear Families,

Oct. 2021

We hope this finds your family well and enjoying the fall weather. Let's take a minute to share a challenge that we will be doing this year with our families: "Read to our Children" Monthly Challenge

The Early Childhood Center LOVES to read and we are excited to see how many books our children can read throughout the year.

Challenge: Families will read 15 books per month with their children, color a book for each book read, and return to school when completed. We will be keeping track all year to see how many books we can read TOGETHER as a school. Our goal is over 10,000 books. Watch for your teachers to send a monthly reading page home in October.

Have a wonderful day! Mrs. Vansomeren Early Childhood Director/Principal

- Treat them to nice-smelling hand sanitizer
- Bring your teacher morning coffee
- Give a small candy stash to help fuel a long day
