

# Hudsonville Early Childhood Center

~ Every Child Counts ~

Dear Families, Oct. 2022  
We hope this finds your family well and enjoying the fall weather.

The Early Childhood Center LOVES to read so let's take a minute to share the Candy Land Reading Challenge that we will be doing this year.

Challenge: Families will read 15 books per month with their children, color a book for each book read, and return to school when completed. We will keep track of our reading from each classroom on our candy land bulletin board. Students can watch their teacher's game piece move as their room reads books throughout the year. Watch for your teachers to send a monthly reading page home in October.

Have a wonderful day!
