NON-HOMESTEAD MILLAGE

This is **not** a new tax and does **not** impact the taxes on residential or agricultural properties. This generates about \$6.8 million or 7.2% of the district's total general budget.

SINKING FUND

This is an account into which the district can place voter-approved millage revenue to pay for repairs or replacements. This is a **renewal** that will return the millage rate to 1 mil.
