

HUDSONVILLE PUBLIC SCHOOLS

A four-year millage cycle would save the district approximately \$150,000.

NON-HOMESTEAD MILLAGE

This is **not** a new tax and does **not** impact the taxes on residential or most agricultural properties. This would generate about \$7.8 million or 7.5% of the district's total general budget.

WHY TWO PROPOSALS?

The second proposal is asking for two additional mills that would will collect **zero** dollars. This would make it possible for the district to levy 18 mills each year despite the Headlee roll-back.
