

# Hudsonville Early Childhood Center

~ Every Child Counts ~

---

February/March 2021

Dear Parents/Guardians,

As we move into the months of February and March, we already begin the work of planning for the upcoming summer and next Fall programs. We are excited to see that families are enrolling already. Spaces will fill quickly, so if you haven't already, make sure to register for next year. Re-Registration is due each year for each program.

Thank you for your help in this process.

## March is Reading Month

In honor of Dr. Seuss' birthday, **March** is designated as National **Reading Month** - a month to motivate Americans of all ages to read every day. **Reading** is fun and has many benefits, regardless of your age.

## Ideas to try at home:

- Drop Everything and Read
- Visit your local library
- Make a special spot in your house to read
- Read aloud or listen to books on tape - make it different and fun for kids

Teachers will be sending ideas and activities throughout the month of March as well as doing many things in class to celebrate.

## Upcoming Dates:

- Parent/Teacher Conferences - Monday, March 8 and Wednesday, March 10
- Spring Break - Friday, April 2 - Sunday, April 11
- Teacher Appreciation Week - May 3-7
