## Early Childhood Center

~ Every Child Counts ~

---

Dear Parents,

Sept. 2020

Thank you for your partnership this school year with our Early Childhood Center! We are excited to share that as of Sept. 21, all of our programs have begun! It is wonderful to see the students learning the routines and procedures of the building.

Teachers will plan to communicate on a weekly/bi-weekly basis with our families. Please reach out if you have any questions for your child's teacher or the ECC main office at 616.797.0842, ext. 1.

Have a wonderful day!  
Mrs. VanSomeren aka Mrs. Van

### ECC Photo Days

Save the Date:

Wed. Oct. 14 & Thurs. Oct. 15

Photo packages/envelopes will be sent home with students soon. Your child's teacher will share a specific schedule of when your child's photo will be taken.

### Why Preschool/Prek is Important?

"Preschoolers learn "pre-skills," which lay the groundwork for the future. Through their playing, singing, and **learning**, preschoolers gain skills that ultimately help them **learn** to read, write, build their math and science skills, and become successful students." (quote from scholastic) ECC is honored to be a part of this learning journey.
