Early Childhood Center

~ Every Child Counts ~

Dear Families,

December 2020

School Improvement:

During this time of remote learning, stressed home situations, and continued health challenges, we want to share that we appreciate our Early Childhood Programs parents. Your hard work and dedication to your children is felt. Thank you for allowing us to be a part of your families through school and childcare. We look forward to continuing this partnership through the rest of the school year.

Have a wonderful December!

Mrs. Vansomeren, Early Childhood Director/Principal

ready to
enroll?

Early Childhood Enrollment - Coming in January

Sign up for the 2021-22 school year programs! Families must re-register each year to save their spot for Summer Childcare, Preschool, and Before/After School Care. Current families will be able to start registering for these programs in mid-January, so watch for more information to be emailed from eccoffice@hpseagles.net.

Save the Date:

- Mon. Dec 21 - Fri. Jan 1 - Holiday Break for HPS
- Tues. Jan. 26 - Prek/K Round Up for enrollment at 7:00pm
- Tues. Feb. 2 - Early Childhood Open House 6:30-7:30pm (Registration to the public opens online on Wed. Feb. 3)

As part of the district's school improvement plans, parents and community members are encouraged to participate in a district survey each year, covering topics specific to the building their children attend and the district as a whole. From this information, each building creates a set of successes and challenges that they work on improving for the school year.

Here is the collection of Early Childhood Building specific goals that we will be focusing on this year.

Successes Identified:

- 1) My child knows the expectations for learning
- 2) ECC provides opportunities and activities that interest them
- 3) Safe learning environment
- 4) Qualified staff members work together to help students learn

Challenges Identified:

- 1) School leaders will engage with all stakeholders in school purpose and direction
 - 2) Communication of student progress varies between programs, increase regular student progress
 - 3) Improve technology accessibility
-

Hand 2 Hand Food Drive:

The ECC is participating in a food drive for Hand 2 Hand, a local ministry. Donations can be brought to the ECC lobby between Dec. 1 - Dec. 18. Items needed include granola bars, fruit bars, apple sauces, crackers, and quart size ziplock bags.

Thank you for your help in this important local support of our students.
