

Volunteers and Visitors

We love having volunteers and visitors here at Forest Grove Elementary!

To help make your visit easier please park in our designated parking lot spaces marked “visitor” or “volunteer” on 32nd Avenue. If these spaces are full then feel free to park in any empty parking space in either of our parking lots. Once you are parked please enter our building through the main entryway doors and sign-in in the office. If you are staying for a while you will be expected to wear a visitor/volunteer badge for the duration of your stay. If you are just here to pick up a child then make sure to sign your child out when you leave.

ALL VOLUNTEERS must have completed a Criminal Record Statement (a.k.a. criminal background check) form prior to volunteering in any capacity here at Forest Grove Elementary School. [Click here to fill out the form.](#)

Thank you for stopping in to visit or to stay and help out for a while!
