Why did the pasta call up his friend? Because he was feeling cannelloni. If you are feeling "cannelloni" come build spaghetti towers and make new friends at the next STEM Club meeting in room 118, February 28 from 3-4. Asta-la-pasta everyone!

We're coming down to the last three weeks of chess for the school year. Stop in and play a few more games and hang out with friends for three more Thursdays!

Acceptance Club meets this week Thursday after school in Mr. Henning's room.
