Veggies

Looking Ahead

2/12-2/13 - Winter
Break - No School

2/16 - MORP

Happy Birthday!!

2/7

Brooklyn Heslinga
Madison Nolan
Joey Parm
Ross Smith
Tyler Strick
Gracie Yates

Have plans for after the home basketball games next Friday, Feb 16th? Or, just looking for something fun to do? Come to the MORP dance from 9:00-11:00!

- All grades are welcome - 9th-12th grade, but you must be an HHS student to attend. Admission is \$10 at the door (cash or card for a small fee) and includes fun giveaways at the dance. Wanna dress up? Do it! Rather wear sweatpants? Do it! It's called MORP (prom backwards) because you can make it how you want! Just gather your friends, show up and have fun.

- Some important logistics: park on the NORTH side of the school and enter at the new pool doors/athletic office entrance. That is the ONLY DOOR you'll be able to enter. If you are going to the game, you'll need to walk outside to get to these doors, as the connector will be blocked off. Please plan accordingly and park over there before the game!

- So don't forget - bring your ID, \$10, and park by the new pool entrance if you want to go to the MORP. See you there!

How do you raise a baby elephant? With a forklift. What do elephants use to brush their teeth? Elephant toothpaste. Come to the next STEM Club meeting Wednesday, February 7 from 3-4 in room 122 to learn how to make elephant toothpaste so that elephants can have pearly white teeth like us.

Attention: Seniors, Juniors, and sophomores!: Are you interested in going into the medical field of some sort? Athletic Trainers' Mariah and Emily are looking for students who would be interested in taking their Independent Study for Athletic Training class. Please stop by the athletic training room for more information.

There will not be Chess Club this Thursday after school. We will be back at it again next Thursday as usual.

Attention any senior going into the military after graduation---stop and see or email Mr. Henning.

Have you ever heard of High Tech Metal Forming? Turning metal into usable parts and materials is a high tech field and West Michigan is home to many state of the art, 21st century manufacturers who are on the cutting edge of producing products that are used worldwide. On Thursday our speaker will be sharing about career options in this growing and critical manufacturing field. If you are looking for opportunities directly after high school this would be a great session to attend! Find the Career

Connections sign up form in your email. **Helping You See Who You Can Be!**

Due to low attendance during the musical, drama club will not be meeting for a few weeks. Drama Club will resume on Monday, March 18.

Esports Spring season is starting soon! Gather your party and compete against other schools in one of the following games: *Rocket League*, *Valorant*, *Overwatch 2*, *League of Legends*, *Super Smash Brothers Ultimate*, *Mario Kart 8*, *Splatoon 3*, *Hearthstone*, *Madden*, and *NBA2K*.

There are two big reasons why it's easier than ever to join an esports team this season:

- 1.) HHS now has an Esports Computer Lab, decked out with 10 powerful PCs and 3 stations for console gaming on PS5 and Nintendo Switch. This is a huge investment in Esports and the opportunities they provide for HHS students, so fire up!
- 2.) There are no player fees anymore! That's right; it's FREE to participate.

All the information you need to get started is at bit.ly/hhsesportsinfo. Reach out to Mr. VanMalsen (bvanmals@hpseagles.net) to get registered (Regular season deadline Feb 9).

Sports Information

HHS Spring Athletic information:

Prior to participating in a practice or tryouts for an HHS athletic team, the following must be on file in the HHS athletic office: physical, insurance waiver, athletic code, medical consent form and participation fee. Once these items have been completed, students must pick up an entry ticket from the athletic office that needs to be turned in to the coach on the first day of practice. **All forms are available online**

Online payment and registration is a new system for the 2023-24 school year. Online payment and registration portal is available here: <https://www.hudsonvillepublicschools.org/ath/recdesk-intro>
