The world is filled with technology - so who manages all this technology infrastructure? At Career Connections our speaker will discuss the world of IT support and management, where you'll discover the critical role these professionals play in keeping businesses running smoothly. This session will give you a glimpse into the daily challenges and rewards of managing technology systems. Learn about the responsibilities of IT professionals, from troubleshooting technical issues to implementing innovative solutions. If you're curious about what a day in the life of an IT manager or support specialist looks like, this session is for you. Find the Career Connections sign up form in your email. **Helping You See Who You Can Be!**

Drama Club resumes Monday, March 18. Please meet in the south campus auditorium 3-4 to catch up with some fun improv games!

### **Hudsonville Competitive Robotics Informational Meeting**

Is your student interested in computers, logic, building, mechanics, or robotics? Join us to learn about the thrilling world of competitive robotics through Hudsonville Robotics! This informational meeting will give families insights into how we use technology and competition to foster teamwork, problem-solving, and creativity. We will be offering an array of classes this spring to help students build their skills to compete in an amazing fall competition. The introductory meeting will be held on **Monday, March 25, from 7 pm to 8 pm at the High School in room 110**. The club program is open to boys and girls starting grades 5-12 next fall. For more information, please email [info@hudsonvilleroobotics.com](mailto:info@hudsonvilleroobotics.com) or visit <https://HudsonvilleRobotics.com>.
