Athletic Physicals (see below for the new policy changes for 2020-2021)

For the 2020-21 school year the MHSAA pre-participation sports physical requirement will be waived for students in any grade who received a valid physical for sports during the 2019-20 school year (one completed on or after April 15, 2019). These students and their parents/guardians will be

required to complete the two-page MHSAA ANNUAL SPORTS HEALTH QUESTIONNAIRE found on MHSAA.com. These must be signed by the student and parent/guardian and kept on file in the school. Students who did not receive a sports physical in the 2019-20 school year or later must have a valid physical examination form on file. If a student is discovered to have participated without a valid physical or Health Questionnaire on file, the student shall not be eligible to participate until a valid physical or Health Questionnaire is on file.
